Assessment	Weight,	Deadline		Assessment criteria
strategy	%			
Presentations		During	the	Students will be expected to demonstrate both the knowledge gained
and	50	semester		during the course as well as their abilities to apply it in a given
participation in				situation. Assessment of participation in class activities consists of:
the class				- presentation of assigned topics (capability to critically assess
activities				the issues, to identify the most significant features, tendencies

				 and developments related to the particular topic, to provide orally clear arguments in support of their points made in a logical, coherent and structured manner); practical exercises (comprehensive analysis of practical situations followed by the submission and presentation in groups of argumentative conclusions); participation in discussions (capability to provide correct answers to questions, formulate problems and suggest (search for) solutions, offer thoughtful critical remarks, contribute to other participants' ideas, etc.).
Mock negotiations and mediations	50	During semester	the	Students will be expected to participate in role plays of negotiation and mediation. Situations will be selected by the lecturer or presented by participating students in lines with instructions of the lecturer. Assessment will consist of: - demonstration of relevant skills and techniques of negotiation and mediation; - capability to recognise and analyse different styles and techniques of negotiation and mediation and adequately react.
