Internships for students / international business law

Internship in a business law firm

Dear students,

In our office in Vilnius we offer a traineeship for a student who is interested in gaining experience in the interesting, varied and challenging environment of an international law firm. The remunerated work takes place in the office in Vilnius.

Klauberg BALTICS specializes in handling cross-border projects in all areas of commercial law in Lithuania, Latvia and Estonia. The legal assessment of the so-called emissions scandal caused by the manufacturing of Diesel cars with illegal devices is a particular focus at the moment. The clients include large and medium-sized companies as well as private persons.

We offer a challenging and varied job in an international and dynamic law firm. You will get to know the practice of a commercial law firm by assisting lawyers in case processing, legal research and contact with clients. Beside tasks in commercial law you will have a possibility to practice in archival documents research and the international event Baltic Arbitration Days on

12-13 August 2021.

We expect a keen interest in economic contexts and cross-border issues, as well as legal knowledge according to the respective university level. We require at least a good knowledge of English, and German language skills are a plus.

You fit us if you are responsible, motivated and able to work in a team.
