

LAWWITHOUTWALLS®

THE FUTURE OF LAW, TODAY

LawWithoutWalls is a nonprofit organization. To that end, there is an administration fee per student of \$800 USD to participate in the 3 day Sprint 15—17 March, 2024, inclusive of the mandatory curriculum for Sprint preparation. LWOW 2024 will be held in Madrid, Spain and hosted by IE University Law School at the IE Tower, located at the heart of Madrid's financial district.

The admin fee of \$800 USD does not include the costs of travel to/from Madrid, Spain and accommodation at the in-person Sprint; however, as in years' past, we will select reduced-rate hotels for students and pair them 2 per room. Students can also request a single room, but costs for single rooms are higher.

Funding arrangements vary—some students are fully funded by their schools (administration fee plus travel costs), some students receive a partial-stipend, and others are entirely self-funded or find funding via a sponsorship/scholarship.

The following provides an estimated itemization of costs that students should consider when applying to LawWithoutWalls 2024. Please note that it is early days yet for hotel estimation. The rate below is an average of rates paid by students at Sprint 2022 in Segovia, Spain and Sprint 2023 in St. Gallen Switzerland.

Basic Costs	Estimated in USD
LWOW Sprint 2023 Admin Fee	\$800
Hotel Accomodation (2 pp/shared twin bed room)*	\$250 per student for 4 nights*
Food/Snacks**	\$10—13 per average meal**
Train from Madrid Airport to Financial District***	Less than \$5 USD each way***
Roundtrip Airfare to/from Madrid***	Based on departure location

*Accommodations will account for students checking in on Thursday, 14 Mar and checking out Monday, 18 March 2024. Costs are per person for 4 nights and reflect double rooms with twin beds shared as per LWOW tradition (unless the participant specifies otherwise). Breakfast and tax are usually included in the costs. Students can also request a single room, but costs for single rooms are higher and may not be at the same hotel. NOTE: all costs for accommodations are estimates at this time.

**LWOW will provide coffees/snacks, lunch, and evening cocktails/canapes at the end of each day of Sprint (daily networking event). Breakfast is provided by hotels. Food/snacks include all other meals NOT provided at the LWOW Sprint. This includes dinners and snacks outside of LWOW.

LAWWITHOUTWALLS®

THE FUTURE OF LAW, TODAY

***All participants will fly into [Madrid Barajas International Airport](#). Trains tickets from the airport to the Financial District can be purchased at the airport and the travel time is roughly 28 minutes one way.
